Full range of corporate legal advice for companies, partnerships, investors, shareholders and management teams

At WBW our aim is that our clients get the best out of any transaction. Our lawyers combine legal expertise with an understanding of your business to deliver commercially-sound, practical and cost-effective advice in a manner which is tailored to each client's needs. Our experience covers a wide range of transactional and advisory work for local, national and international clients. Working closely with colleagues in key practice areas such as Commercial Property and Employment, we strive to get to know our clients and their businesses in order to build relationships that last.
