Services For Business » Corporate Transactions » Sales and Acquisitions

Acquiring or selling a business or company can be a complex matter. From the initial investigation and heads of terms, through due diligence and documentation exercises up to completion of the company or business sale or purchase; our Corporate Team, working alongside colleagues in our commercial property and employment teams are there to guide you to a successful conclusion.

Bringing experience from a variety of sectors and having advised on transactions from a simple high street retail outlet to multi-jurisdictional group disposals, our Corporate Team will offer clear, practical advice and will work with the speed and precision you expect to deliver results on time and within budget.
